JAM NOTES

FOR THE ARTS

Volume 1

October 2022

Jamestown, Colorado

Welcome to our monthly newsletter featuring all that is JAM! Jamestown Area Artists and Musicians is a group that came together in 1996 to dream up fun things to do and make them happen to entertain ourselves! Through the course of our 26 years in existence, JAM became a nonprofit 501(c) organization and firmed up our mission: "To foster a sense of community in the Jamestown Area by encouraging adult and youth participation in and enjoyment of The Arts." We raise money through creative events and put it right back into the town by upgrading our venues, maintaining our equipment, and supporting local artists and musicians in numerous ways.

JAM is free and for everyone of all ages, styles, and levels who want to support The Arts. WE are JAM! Let's write, paint, exhibit, sing, perform...Let's JAM!
